A Handbook of HOBBIES

Not what it used to be, of course, but still a book full of interesting suggestions of things to make and do. There are 68 pages, a large free design sheet for making a non-flying model of a Liberator, and a splendid colour picture of the latest aeroplanes as a jig-saw puzzle. All for 6d. from news-agents and Hobbies Branches, or post free for 8d. from Hobbies Ltd. (Dept. 96), Dereham, Norfolk.
